Government service facilities should be maintained like own assets

Our correspondent: Upazila Engineer LGED (Ukhiya) Md. Roknuzzaman Khan said that everyone should be aware of the care in using government infrastructure facilities, should maintain them like their own resources. He said these things while speaking as the chief guest in the Darga Bill Government Primary School auditorium of Ukhiya Upazila on Thursday (January 23) morning to create awareness about the use of government service facilities with care under the Emergency Multi-Sector Rohingya Crisis Response Project (EMCRP). The Upazila Engineer said that the roads, bridges, culverts, bridges and various infrastructure development activities that are being implemented for the locals under the EMCRP project with the support of the World Bank. LGED implemented these infrastructures and these are your resources. You have to be responsible in using this resource carefully. He stressed on the locals to be more responsible for maintaining the roads constructed through LGED. He also said that the development of communication system is improving the quality of your life, the value of your assets is also increasing. Therefore, the infrastructure, service facilities of the government should be used and taken care of as its own resources. BCCP should emphasize on increasing these awareness activities.

Riduanur Rahman, Deputy Team Leader of CAS for EMCRP, LGED, BCCP, presented the overall issues of EMCRP Communication and Awareness Program in the meeting. The meeting was conducted by Amana Khatun Alpana, Awareness Specialist, BCCP. The meeting was presided over by Jumjum Nahar, Head Teacher of Darga Bill Government Primary School. She said, various facilities are being built through LGED, these are our resources, the local people should think about their ownership. Everyone must work together to protect this infrastructure. Ukhiya Upazila LGED Sub-Assistant Engineer Suaib Ahmad was present as special guest at the meeting, among others, head teachers of government primary schools, female UP members, president of school management committee and local dignitaries were present. It is to be noted that these activities are being implemented under the 'Emergency Multi-Sector Rohingya Crisis Response Project (EMCRP) supported by the World Bank and implemented by the LGED.
